## ABC Order – V

Info wants to help with ABC order. He remembers to look at the first letter of each new word, but he also knows to go to the second letter if the first letters are the same.

Cut out Info's pawprints below. Then paste them in ABC order on page 7. (They will make a funny sentence!)

|                |                |               |                    |                |
|----------------|----------------|---------------|--------------------|----------------|
| <p>sour</p>    | <p>you.</p>    | <p>noise,</p> | <p>Info</p>        | <p>serving</p> |
| <p>picking</p> | <p>licking</p> | <p>tea</p>    | <p>(lollipops,</p> | <p>to</p>      |
| <p>making</p>  | <p>roses</p>   | <p>Here's</p> | <p>&amp;</p>       |                |
