## How Nonfiction Books Are Arranged

Nonfiction books are arranged on bookshelves according to their call numbers. They are arranged starting with the lowest call number (000) and work up to the highest call number (999). Look at the bookshelf below. These nonfiction books are in order.

133 Ke	220 We	394 Be	420 Se	599 Ar	636 Te	793 Ce	811 Fi	970 Bi
-----------	-----------	-----------	-----------	-----------	-----------	-----------	-----------	-----------

Sometimes more than one book will have the same numbers in their call numbers. When this happens, they are arranged alphabetically by the author's last name (like with fiction books). Look at the bookshelf below. These nonfiction books are in order, also.
