

Introducing Guide Words

Luke is just learning to use the guide words in the dictionary and he needs lots of help. Help him decide on each of these entry words. Should he look on the page, turn forward, or turn back in the dictionary?

EXAMPLE: Guide Words	Entry Word	Choices
candy – cat	car	On Page - Turn Back - Turn Forward

Luke should circle On Page because r comes between n and t in the alphabet.

Circle the correct answers. Then, connect the circles you have made to discover Info's middle initial. **Clue:** Turn paper left!
