

Introduction to the Dictionary

Hi! My name is Library Luke. This is my pal, Info. We are here to introduce you to a very helpful friend. Our helpful friend is a book called a **DICTIONARY**. A dictionary can help us with many important things. It can help us spell a word correctly. When we have trouble saying a word, the dictionary will help us pronounce it the right way. Dictionaries also tell us the definition or meaning of a word.

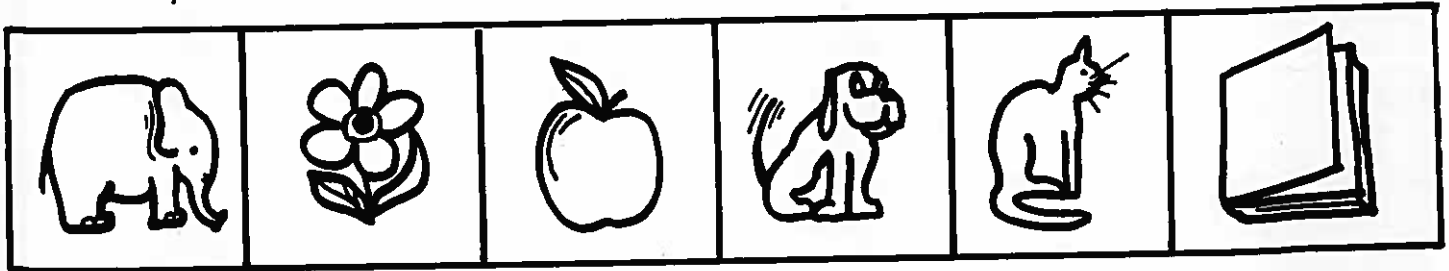

Dictionaries are easy to use. They are written in ABC order.

Write your alphabet below:

Cut and paste.
