

Reference Guide Words

Reference books have Guide Words at the top of each page. Luke and Info have found that these guide words are very important. The two words give you clues about what other words you will find on the page. Look at the dictionary pages below to explain these special clues.

The word on the left-hand side is always the first word on the page. The word on the right-hand side is the last word on the page.

Write five words that could be found on page 24 of the dictionary below. Circle the words at the bottom on the page that come between the Guide Words "ant" and "auto".

Write five words of your own that could be found on that page.
